3T's to prevent the spread of STDs:

Talk: Talk to your partner and your healthcare provider about risk factors, safer sex methods, and testing.

Test: Make an appointment for STD testing.

Treat: Treat the disease and avoid additional health problems.

Resources for Teens

www.FaceitFlorida.com – interactive website

www.dadehealth.org – for clinic locations & fact sheets or 305-325-3242

www.inSpot.org – for anonymously letting a partner know they may have an STD

www.gytnow.org – for teens from CDC and MTV
